PROFESSIONAL SUMMARY

Results-driven IT professional with hands-on experience in full-stack web development (HTML, CSS, Django), relational database management, and enterprise PBX system deployment. Proven ability to develop and optimize web applications, improve data storage efficiency, and configure network infrastructure in fast-paced environments. Seeking a challenging role to leverage technical expertise in software development, IT support, or systems administration.

WORK EXPERIENCE

Lintel Technologies Pvt Ltd

Software Developer Intern

Dec 2024 – Apr 2025

- **Full-Stack Development:** Engineered and maintained 5+ responsive web applications using HTML, CSS, and Django framework, reducing average page load time by approximately 20%.
- **Database Optimization:** Architected and optimized Django ORM database schemas, improving data retrieval efficiency by ~30% and reducing redundant queries across 3+ production modules.

IT Support / PBX Technician Intern

Jun 2024 – Jul 2024

- **PBX System Deployment:** Installed, configured, and commissioned PBX telephone systems for 2 office networks, enabling seamless internal and external communication for 20+ end users.
- **Hardware Troubleshooting:** Performed systematic hardware diagnostics and troubleshooting for 15+ computer systems, achieving a 95% first-contact resolution rate.
- **Network Configuration:** Assisted in LAN network design, configuration, and maintenance, ensuring 99%+ uptime and uninterrupted office connectivity.

PROJECTS

Travel Management System

Django, HTML, CSS, PostgreSQL

- **Web Application Development:** Architected and deployed a full-stack travel management web application using Django and PostgreSQL, implementing user registration, trip booking workflows, and an admin dashboard to manage 100+ travel records.

PBX System Setup for Office Communication

Networking & Hardware

- **Telecommunications Infrastructure:** Configured and deployed a full PBX telephone infrastructure supporting internal and external communication for an office environment, integrating LAN network setup to achieve end-to-end office connectivity.

EDUCATION

Diploma of Higher Education in Information Technology

2025

Silver Oak University, Ahmedabad

Artificial Intelligence & Machine Learning (AIML)

Sep 2026 – Present

Grras IT Solutions | Currently Pursuing

TECHNICAL SKILLS

- **Programming & Web Development:** HTML5, CSS3, JavaScript, Python, Django Framework
- **Database Management:** Django ORM, PostgreSQL, MySQL, Data Storage Optimization
- **Networking & Hardware:** LAN Configuration, PBX System Installation & Configuration, Computer Hardware Setup
- **Tools & Platforms:** VS Code, Git, Virtual Environment (venv), Windows OS, Linux (basic)
- **Soft Skills:** Problem-Solving, Team Collaboration, Technical Documentation, Client Communication
